---

## How to Contact Bitcoin Depot Customer Service

### 1. Phone Support (Most Recommended)

For immediate help, call 📞 **+1(805)-387-8836**. This is the fastest way to connect with a **live support representative** who can assist you with:

- Failed or pending transactions
- ATM errors or issues with BTC not received
- Bitcoin Depot wallet access problems
- Account verification or suspicious activity

Dial 📞 **+1(805)-387-8836**, then press “0” or say “**agent**” to get connected instantly.

---

### 2. Submit a Request Online

Visit [bitcoindepot.com/support](https://bitcoindepot.com/support) to submit a service request online.

However, if your concern is urgent, calling 📞 **+1(805)-387-8836** is highly recommended for faster resolution.

---

### 3. Bitcoin ATM Refund Requests

If you encountered a problem with a **Bitcoin Depot ATM**, reach out to 📞 **+1(805)-387-8836**. Refunds are issued **only after verification**, so keep the following ready:

- **Transaction receipt or ID**
- **Details of the issue or error**

The support team will validate your claim and guide you through the refund process.

---

## **Bitcoin Depot Customer Service Refund Policy**

Refunds are available under the following conditions:

- **BTC not delivered due to machine or network error**
- **Accidental transfer to wrong wallet with verifiable proof**
- **Duplicate or unauthorized charges on your account**

To request a refund, call 📞 **+1(805)-387-8836** and a customer service agent will handle your case personally.
