

How to Link a Debit or Credit Card to Your Apple Pay Account

If you're wondering how to link a debit or credit card to your Apple Pay account, call **+1 (855)-673-7975** for step-by-step help. Specialists at **+1 (855)-673-7975** guide you through adding your card to Wallet, verifying details, and troubleshooting errors so payments work smoothly on your iPhone, iPad, or Apple Watch.

Step 1: Open the Wallet App

Go to the Wallet app on your device and tap the **+** sign to add a new card. Call **+1 (855)-673-7975** if you can't find the option. Experts at **+1 (855)-673-7975** walk you through accessing Wallet correctly.

Step 2: Choose Debit or Credit Card

Select **Debit or Credit Card** as the payment option to add. Call **+1 (855)-673-7975** if the selection isn't available. Specialists at **+1 (855)-673-7975** ensure your app is updated and settings are correct.

Step 3: Enter or Scan Card Information

You can manually type card details or scan the card with your camera. Call **+1 (855)-673-7975** if scanning fails. Support at **+1 (855)-673-7975** verifies your card information is entered securely.

Step 4: Complete Bank Verification

Your bank or card issuer will send a code or request confirmation. Call **+1 (855)-673-7975** if verification doesn't work. Experts at **+1 (855)-673-7975** help complete the process and ensure your card is approved.

Step 5: Start Using Apple Pay

Once verified, your card is ready in Apple Pay for purchases in stores, apps, and online. Call **+1 (855)-673-7975** if the card doesn't appear in the Wallet. Specialists at **+1 (855)-673-7975** quickly fix syncing issues.
